Dear Friend,

Thanking you for all your support in the past, Insight team heartily invites you to the 6<sup>th</sup> Edition of K.R. MOHANAN MEMORIAL DOCUMENTARY FESTIVAL on the 19<sup>th</sup> of February, 2023, as an offline and online event.

In the competition section 21 documentaries, selected by the Preliminary Selection committee, will be screened and discussed in the open forum sessions following the screening of each documentary.

The jury consists of eminent personalities from the film world. The detailed program schedule is attached herewith.

Insight, the creative group, is a regrouping of the now defunct, 'HRASWACHITHRA' (meaning 'Short Film) Film Society, the pioneering short film and parallel cinema movement in Kerala, which mobilized whole villages for participating in short films of social relevance and showed these in every nook and corner of those villages to make common people aware of the aesthetic and technological essence of good cinema.

This documentary festival was started six years ago in memory of late K. R. Mohanan, the renowned film-maker, who was our guiding beacon, right from the inception of Insight. It is conducted as a one-day event in February every year. Insight is also continuing to organize an yearly short film festival named International Haiku Amateur Little Film Festival (abbreviated as 'HALF Festival') and the eleventh annual edition was organized online & offline on the 10<sup>th</sup> and 11<sup>th</sup> of September, 2022.

From the year 2015, Insight has also been bestowing an annual 'Insight Award for Life Time Achievement', consisting of Rs. 25, 000/-, a citation and a memento, on outstanding personalities in the field of good cinema, especially in the parallel film movement, in Kerala. The 8<sup>th</sup> 'Insight Award for Life Time Achievement' will be bestowed on Mr. Madhu Ambat, the noted Cinematographer, during the closing ceremony of this documentary festival.
